NURSING NOTES

Welcome to Skiles Test Elementary School! I am your School Nurse, Nurse Beatriz Castro. This will be my 2nd year as Skiles Test nurse. The ST clinic hours are Monday-Friday, from 7:00AM-3 PM.

My goal is to keep your child and all of the other students here at Skiles Test safe, healthy, and happy every day! In order to do that, I will need you to fill out the Medical Information and the Consent to Treat form online on skyward. The medical information page provides me with important health information about your child so that I may care for his/her individual needs. The Consent to Treat gives me permission to care for your child in the clinic. **Without a consent to treat signed by a parent or guardian, I am unable to treat your child in the clinic on a daily basis.** I will only be able to care for your child in emergency situations.

Parents of kindergarten and 6th grade students, please turn in a copy of your child's vaccination records to the school nurse as soon as possible. You have until October 5th if vaccines not up to date after this day child will not be able to attend school.

Feel free to ask me questions at any time! My phone number is (317) 964-4784 and my email address is beatrizcastrorodriguez@msdlt.k12.in.us.

Parent Resources

Did you know there is a Parent Resource and Information Center in our area? The Indiana Partnerships Center located at 921 E. 86th Street, Suite 108 works to empower parents about their rights and responsibilities related to the education of their children in the following ways: Provide parent-focused workshops that are scheduled by schools, groups community or parent groups. Provide information related to education and resource materials, including information about school choice, attendance, tips for parents and teachers to talk about, and how to have a family friendly school. Help schools develop parent involvement strategies that provide opportunities for parents to become responsible for decision making in their children's school, resources for school improvement, and mentors for others. Contact them at 317-205-2595 or on the web at www.fscp.org for more information on how you can participate.
